In addition to theme-based weekly offerings, the Montessori classroom will be available with specific focus by Montessori Certified faculty, with Montessori materials. **Montessori Enrichment** offers opportunities for a full morning work cycle closely resembling the structure students enjoy during the school year. This setting provides an excellent opportunity for students to remain current with skills acquired during the preceding school year, as well as an introduction to students who join us in the fall. Small group classes with more of a tutorial environment called **Math & Language Enrichment** will also be available to students returning in the fall. These classes are offered on a weekly basis in one-hour sessions with no more than three students during each hour. If you are interested in this option, please contact Kate at [kdrehmel@msow.org](mailto:kdrehmel@msow.org) to schedule your sessions.
